

LLaud Menorquin 36 - 27,500 €

Description

The LLaud Menorquin 36 is a llaud, a typical boat from the Balearic Islands. A fishing boat that has evolved into a cruiser, with modern construction techniques (fibre/polyester) but with the style of yesteryear. A classic rig, a very spacious cockpit, an uncluttered deck with easy access to the bow and very well used interiors, opening portholes and a 55 HP diesel engine with shaft drive are some of the features that will attract your attention. The Menorquin 36 is in good general condition, moored in Mallorca and available for viewing.
