

Myabca Delfin 28 - 22,500 €

Description

The Myabca Delfin 28 is a motor sailer built in Mallorca by the american yard Myabca. There is a certain similar looking with the traditional mallorquin Llaud and the classic Colin Anchor. With her beamy hull, round transom, well proportioned rig, space deck and bowsprit, she is well recognisable. The light and airy interiors are large and charmant. The DELFIN 28 is in good condition, except a pending upholstery job with the lining, Diesel engine replaced six years ago with only 320 h, lying in Mallorca and available for visits.
