

## Quicksilver Activ 875 Sundeck - 115,000 €

### Description

The Quicksilver Activ 875 Sundeck is a state-of-the-art, ultra-modern American motorboat with its own unique style, powerful and elegant. It features a spacious cockpit that converts into a sun deck, a double sliding pilot bench that reveals a full kitchen (with sink and gas stove), two electric refrigerators, a bow thruster, complete electronics with two multifunction screens, a Fusion stereo system with four speakers, a Bimini top with mesh sides, platform extensions, soft Flexiteek synthetic teak in the cockpit, sun deck at the bow, interiors with 4 berths and separate toilet, electric anchor windlass, bow thruster, and two powerful outboard motors are some of its features that may catch your attention. The Quicksilver Activ 875 Sundeck is in excellent condition, looks like new, moored in Mallorca, and available for viewing.

As the shipyard says: 'The Activ 875 Sundeck is raising the bar. Or should we say expanding the capacity of the sundeck? The boat has the largest deck in its class, so go ahead and invite up to 12 people on board to sail under the sun or have a barbecue. For multi-day trips, up to 4 people can stay overnight on board.'
