Williams MiniJet 280

22.500 €

Description

This Lightweight and compact jet tender fits in a wide variety of garages onboard smaller luxury yachts, so more yacht owners can experience the unique thrill, manoeuvrability and quality of a Williams tender.

Light, nimble and with super-responsive, pinpoint steering, it’s just about the most fun you can have on the sea. The MiniJet 280 is built to stand the test of time, proving that being a small inflatable tender doesn’t have to be a compromise.
