

Formosa Pacific 43

65.000 €

Description

The Formosa Pacific 43 is a classic sailing yacht, a cruiser designed by Ron Holland and built in fibreglass by Formosa Boat Building Co. Ltd. in 1979. This 12.75 m sloop is known for being robust and designed for ocean voyages. The Formosa Pacific 43 is in very good overall condition, largely refurbished in 2022, and is well equipped, even for offshore sailing (solar panels, wind generator, water maker, etc.). The Formosa Pacific 43 is moored in Mallorca and available for viewing.
