

Furia 1000

19.500 €

Description

The Furia 1000 is a cruising yacht in the style of the 80's, almost a motor cruiser. An open deck with a raised bathing platform, jupette, spacious interiors with even an interior helm station. The Furia 1000 is the product of the famous designers Joubert/Nivelt and the shipyard Dresport. The Furia 1000 is in good general condition, with the ITB just passed, the antifouling done, the powerful 80HP engine completely refitted. There is still some work to be done such as the upholstery of the interior bulkheads and there are no sails. The Furia 1000 is moored in Mallorca and available for viewing.

General Information

Year:	1983	Engine:	Volvo Penta
