The Jeanneau Merry Fisher 1095 Fly is a modern boat offering the ultimate in comfort, equipment, and performance. The Jeanneau Shipyard presents her as follows. "The strengths of the Merry Fisher 1095 remain unchanged: impressive interior volumes, three cabins with double berths, a 360° sea view in the wheelhouse, comfort, equipment and, as throughout the range, this desire to offer a reassuring lounge on one level, which makes circulation from inside to outside more fluid, and facilitates manoeuvring and access. With the flybridge, it simply offers an additional living area.
