

Coco GL

10.000 €

Description

The Coco GL is a racing monohull built by G.L Composites. Designed by naval architect Philippe Harlé, this fixed keel, fractional rigged yacht is 6.5 m long. It is the evolution of the Mini 6.50 which took part in several mini-transats, simplifying the rig. The Coco GL is a very entertaining sailboat that offers great habitability for its length. Design category B, unsinkable, genoa roller furling, Gennaker with boom, solar panel, are some of the features that will attract your attention. The Coco GL is in very good condition, Spanish flag, one owner, moored in Mallorca and available for your visit.
