

Oyster 46

590.000 €

Description

The Oyster 46 is a centre-cockpit sailing yacht designed for offshore cruising. Designed by the renowned Rob Humphreys, the Oyster 46 is built to the highest quality standards and features superb finishes. The use of light-coloured woods and large windows—most of which open—transform the interiors into a bright and well-ventilated space. 3 cabins, 2 toilets, saloon with panoramic views, air conditioning, bow thruster, stern thruster, carbon boom main furling system, water maker, diesel generator, solar panels, carbon bowsprit, etc., ... are just some of the features that will catch your eye.

The Oyster 46 is in very good overall condition, moored in Mallorca and available for viewing.
