

Sunseeker Superhawk 48

115.000 €

Description

The Sunseeker Superhawk 48 is a beautifully designed motorboat with unmistakable sporty lines and excellent sailing performance. It features a long deck with a sun deck, an XL cockpit, interiors reminiscent of a "private jet" with glossy cherry wood finishes, a spacious owner's cabin, a comfortable salon with a galley, and a full bathroom.

Solariums at the bow and stern, swim platform, 3 diesel engines, bow thrusters, generator, air conditioning, heating, 2 fridges, and a complete electronics package (GPS plotter, AIS, VHF radio, radar, autopilot, speedometer, depth sounder, etc.) are just some of the features that will catch your eye. The Sunseeker Superhawk 48 is in excellent condition, moored in Mallorca (Spain), and available for viewing.
