

Monterey 264 FS

39.000 €

Description

The Monterey 264 FS is a bowrider-style motorboat in true American style: modern, very comfortable and offering excellent performance. The boat allows for easy movement from bow to stern. A full helm station, two sun decks, a spacious swim platform, a bar unit with sink, a toilet, a powerful 320 HP Volvo Penta engine, a GPS plotter, a VHF radio and a Bimini top are just some of the features that will catch your eye.

The Monterey 264 FS is in excellent overall condition, with very little use, moored in Mallorca and available for viewing.
